To obtain Intraday Capacity you have to become a participant of Intraday Allocation. The Intraday Capacity will be allocated in accordance with the mechanisms described in the document 'Intraday Capacity Allocation Rules'. The document 'Intraday Capacity Allocation Rules' and the application forms can be found at the website of TenneT:

http://www.tennet.org/english/operational_management/system_data_preparation/intraday/rules.aspx

How to register as participant of Intraday Allocation:

1. Read the whole document 'Intraday Capacity Allocation Rules';
2. Comply with the requirements of article 4 and 5 of 'Intraday Capacity Allocation Rules';
3. Download the forms Declaration of Acceptance and UCN and fill it in completely. The Declaration of Acceptance must be sent in two fold and by registered mail;
4. The person who signs the application forms and required documents (article 4 and 5) must be authorized by his company. If the required documents are already in the possession of TenneT, TenneT will verify by crosschecking the PR licence documents. If checking with documents earlier delivered to TenneT is not applicable the signer must deliver proof of his authorisation.

When the Applicant has taken care of the points mentioned above TenneT, in the role as Joint Allocation Operator of Intraday Capacity Allocation, will return the countersigned Declaration of Acceptance to confirm that the legal entity is registered as a Participant of the Intraday Capacity Allocation (article 4.2).
